ORDER

JOHN G. KOELTL, District Judge:

The parties should provide the Court with their respective views as to how the issue of the statute of limitations for the conversion and unjust enrichment claims should be addressed in the upcoming trial. Should the jury be instructed that the statute of limitations on those claims has expired, but the plaintiffs argue that the defendants are equitably estopped from asserting the defense of the statute of limitations on those claims? See City of Almaty v. Sater, 503 F. Supp. 3d 51, 63-68 (S.D.N.Y. 2020). If the parties cannot agree, the parties should provide their respective views by **May 19, 2025** and provide a response to the opposing view by **May 30, 2025**.

SO ORDERED.
